

**If you suspect that you have symptoms of the coronavirus,
please consult the ‘Consultation center for the people with potential 2019-nCoV exposure.’**

‘Consultation centers for the people with potential 2019-nCoV exposure’ have been set up at the Public Health Centers within the prefecture in order to accurately link those with suspected coronavirus symptoms and ‘people with potential 2019-nCoV exposure.’ Telephone consultation services will be provided.

- Cold-like symptoms or fever 37.5°C and above for at least 4 days
- Severe fatigue (lethargic) or shortness of breath (breathing difficulties)
- ※ For the elderly or those with pre-existing conditions, if the symptoms above continue for two days or more

For those with these kind of symptoms, please contact the following ‘Consultation center for the people with potential 2019-nCoV exposure’ in charge of your residential area as listed in the table below. (Those who can speak Japanese)

※ For those who cannot speak Japanese, please call ‘CAMELLIA: Shizuoka Assistance Centre for Foreign Residents’ at 054-204-2000 from Mon – Fri, 10am – 4pm and consult ‘CAMELLIA’ staffs.

Multilingual staffs are stationed at CAMELLIA. (If they are not available on that day, an external interpretation service will be used)
